Headteacher: Mr R Watson

Headteacher's Comment:

Once again I would like to express my sincere gratitude to our EYFS and KS1 team for their hard work in preparing for the Reading Café on Tuesday. It was truly heart-warming to see so many parents and grandparents attend the event and enjoy the experience with their children, sharing books and participating in literacy-based activities to foster a love of reading. The feedback we received from everyone involved was overwhelmingly positive, and it was evident that the event was thoroughly enjoyed by all.

This week, our school council had the opportunity to hold an informal meeting at Pizza Express. As they enjoyed making pizzas together, they discussed the impact they have on the school and brainstormed ways in which they can support the staff in making improvements. It was a valuable experience for them to contribute their ideas and perspectives.

In addition, we recently welcomed parents to the Rock Steady assembly, where our budding rock stars showcased their talents, ably supported by the wonderful Lewis. Once again we appreciate the support shown by parents in attending and encouraging our young performers.

Our tag Rugby team displayed exceptional skill and determination during their recent match against Hutton Manor, despite having only two full training sessions prior to the game. The parent support was fantastic, and the team demonstrated many of our Hogarth values, not least, resilience and respectfulness. Although the final score was a close 12-9 loss, we are proud of their efforts and character and look forward to our next game.

I would like to acknowledge the ongoing dedication of the Hogarth team in providing our children with a wide range of experiences that they may not have had before. It is through their commitment that our students continue to grow and learn in such a nurturing environment.

Lastly, I would like to highlight a couple of important reminders. It is essential that all children's Reading Records are signed after each reading session at home. We are still waiting to reward the first class for achieving 100% of their children reading three times or more. Your support in this matter is greatly appreciated. Also, if your child is going to be absent from school, please ensure that you either update the detailed reason for absence on the Studybugs app or leave a message on the voicemail. This information helps us keep accurate records and provide the necessary support to your child.

Tag Rugby Match Report

Hogarth Primary V Woodlands – Friday 15th March 2024

Hogarth played against Hutton Manor last Friday away at Woodlands school. This was our first official fixture as a team representing Hogarth.

The team had little training but the team had lots of determination and resilience. Our team scored 9 tries and lost the match by a narrow margin with Hutton Manor scoring 12.

The team showed great skill, determination and a fighting spirit even though the game was a hard match as a team we kept our motivation throughout. As captain of the team I applaud each and every member of our team for their commitment and the good team ethics that we all showed. I am sure all of the spectators would agree that it was a thrilling match.

Some of the team had not even touched a rugby ball before but showed how skills and teamwork can shine through and produce an excellent team. Thank you to our coaches Mr Watson and Mr Yexley who helped and supported us. They were our biggest supporters along with our family and friends that watched.

Oliver Ware – Sports Captain - Rugby
