Headteacher: Mr R Watson

Headteacher's Comment:

Good Afternoon,

I trust you have been enjoying the glorious sunshine that has finally graced us, bringing warmth and lifting our spirits. It has been delightful to witness the enthusiasm and engagement of both children and staff in the sunflower competition, as shared on Twitter. The positive use of social media to showcase our school community is truly commendable.

This week, we took the opportunity to appreciate and celebrate National Teacher Day at Hogarth. It was a special occasion for both the staff and children to express gratitude towards our dedicated teaching team. The strong relationships our teachers have built with your children, coupled with the exciting extracurricular opportunities provided, have made this academic year truly memorable. I personally extend my heartfelt thanks to our entire team for their hard work and commitment.

Looking ahead, next week holds particular significance for our Year 6 students as they begin their Key Stage 2 SATs. We are immensely proud of the progress they have displayed throughout the year, and the predictions from our Year 6 teachers are exceedingly positive. To support our Year 6 cohort, we will be offering a breakfast club every morning from 8am, providing a calm and positive start to what may be a challenging week for some. While the SATs assess academic achievement, we also recognise and value the personal growth and maturity demonstrated by our students.

On a separate note, I would like to highlight that we are eagerly awaiting our first class to achieve the 100% reading award. Remember, it only takes a minimum of three recorded reading sessions in the children's reading diary. Let us strive to achieve this milestone before the upcoming Half Term break.

As the weekend approaches, I encourage you to make the most of the sunshine and take some time to relax and unwind with your families.

Thank you for your ongoing cooperation and involvement in your child's education.
