Headteacher: Mr R Watson

Headteacher's Comment:

As we near the end of another eventful half term, I would like to take a moment to reflect on the many achievements and experiences that we have shared together.

First and foremost, I would like to express my gratitude for your overwhelming support at our recent parents' evening. Your attendance and active participation were both greatly appreciated and invaluable in fostering a strong partnership between home and school.

I would also like to extend my appreciation to all the parents who attended the SATs meetings led by Mrs Carey and Mrs Higgs. Your dedication to supporting your child's academic progress is fantastic, and I am confident that it will yield positive results.

Our school has also been fortunate to host a range of enjoyable trips and visits throughout the term. These experiences not only broaden our students' horizons but also provide valuable opportunities for practical learning and personal growth.

During the term, we were delighted to have had a successful Aspirations week, which was expertly organised by Mrs. King. This initiative provided our students with invaluable insights into various professions and career paths, inspiring them to aim high and believe in their own potential.

Furthermore, I would like to acknowledge the dedication of Mrs. Kemp, who gave up her own time to set up the Hogarth Airport for our Reception children. This initiative not only stimulated their imaginations but also enhanced their understanding of the world around them.

On a final note, I would like to celebrate the achievements of our students who have received their in-class awards this half term. These awards are a testament to their hard work, commitment, attitude to learning and perseverance. I encourage you to continue to celebrate and recognise your child's accomplishments, as it instils a sense of pride and motivates them to reach their full potential.

Looking ahead, our class assemblies have now begun, and it has been heartening to see the strong support from parents in attending these events. These assemblies provide an excellent platform for our students to showcase their talents, enhance their confidence, and develop their public speaking skills.

Once again, I would like to express my sincerest thanks for your continued support throughout this term. Your engagement and partnership are essential ingredients in creating a conducive and enriching learning environment for our wonderful students. I look forward to seeing you at upcoming school events and wish you and the staff a restful and enjoyable half term.
